Swiss mobile passport station in Las Vegas in April 2024

Dear Swiss Citizens residing in Arizona, Colorado, Nevada, New Mexico, Utah and Wyoming,

Since the introduction of the Swiss biometric passport in 2010, applicants must appear in person to record their biometric data (photo, signature, fingerprints).

From **April 15 to April 19, 2024**, we will be in **Las Vegas, NV** with our mobile biometric passport station, where two consular officers from the Consulate in San Francisco will receive you.

If you would like to benefit from this opportunity, please complete your application for a new passport (1 application per person) on the following website: https://www.ch-edoc-passantrag.admin.ch/#/antraggesuch?request_locale=en

Important:

- under *Remarks*: indicate **LAS VEGAS for the biometrics to be recorded**
- **mention a valid phone number AND email address**

For organizational purposes, only applications received **through January 21, 2024** will be considered.

We will let you know if your application has been accepted by the end of February at the latest. If accepted, you will receive a confirmation for your appointment in Las Vegas with further information like the exact location, date and time. We will contact you to make payment arrangements by credit card in advance.

Good to know:

- The number of slots is limited.
- Only Swiss citizens duly registered and with an updated family registry at the Consulate General will be considered.
- You can register your passport biometric data throughout the year in San Francisco, in another Swiss passport office in the USA (NY, Washington, Atlanta), abroad, or in Switzerland. In all cases, the applications must be made for the consulate where you are registered (San Francisco). Do not forget to indicate your wishes concerning the place and dates under *Remarks*.
